Recall: Showered for first & not  
again, not used shower/tub  
again. Turned on L.T.  
switches for bedroom when he  
awoke - Mom & son totally  
dark, didn't see parents in  
bed, or anyone in their room -  
but light enough, if someone  
there, he could have seen them -

Mom: Can't see Mother -

Mom by put towel on when  
he woke - got dressed when  
woke @ 0610 - put on shorts -  
& sweatshirt -

When admin first aid -  
Father he rolled up sleeve  
of sweatshirt -

→ Put blood on shirt -  
L, R arm

He lowered sweatshirt  
off his shirt when first  
aid - Father - & got blood  
on his shirt -

Or, he put on sweatshirt  
after FA - father

More victims: didn't  
get on sketch until after  
PS 1136 -

-> tripping himself up -

Remo on me have  
admin first ask ->  
Father -

More of it did:  
 Pillow from his 3/2m - he  
 didn't see blood on his hands  
 when he got pillow / towel -  
 didn't see front he was  
 wearing because the eyes said  
 was clean front  
 (but he said he had on shorts)  
 - > more examination

Did not compare wound

Blood on hands when at  
 garage for Mom's car -  
 used Kph. to call Sharit &  
 Mark

Did not mean 2<sup>nd</sup> of 11  
also to report Mother's death -

Presley in K & hallway  
after 1<sup>st</sup> 1.36

Sketch - room slides -

Your father said you  
beat/stabbed him. Marty  
died. because he was last  
person his father saw.

Will take poly -

Whoever did this needs  
psych. help - could he  
have bled out & done it.  
Maybe that wasn't him  
but another Mary T. -  
that killed them. -  
was he poisoned? -

Wishing to come to him -

WIKI (E 115V)

Marty said he needed  
psych. help - he knew what  
hap. but felt like it was  
another person who was  
inside of him who did it.

Mmm! Had once loving  
rel. - but he got caught  
up in their fighting -  
changed his life - can't  
be able to be himself -

I'll tell you what  
hap. - what do you want  
to know?

Yeah, I didn't

Misty wanted to go  
away - college - Mom  
wanted him at home - keep  
him under thumb -  
he want attend jr. coll  
2yr - live in their flr  
condo - attend U of P -  
she said no

Grader - C<sup>+</sup>. think said

Mom / Dad sep about 5  
yrs ago & since that x  
not get along very well -

Confused about future -  
adopted - parents might sep / -  
break up

He lived to us (earlier)  
about their set - arguments  
everyday - parents fighting -  
On part, Mom would send  
to the more of her of him than  
dad he rules - jobs parents,  
but lately, Mother  
widing of Father & Marty -

Both angry - Marty:  
hadn't done list of jobs  
on reforg - last straw  
was card table bus -

Due to parents argue -  
they were looking to him  
for more att. & smothering  
him - This new rel. was -

note made to him -

Marty wanted her to ride in Germany, old Lincoln wanted something more sporty, but Parents felt Lincoln was safer -

More resentment: Nan Mayer (partner in HTH (Inc)) was moving into their house to babysit while parents on vac. -

More resentment: never allow play any contact sports -

Mom Benten: he was  
retracted this summer  
in his use of farm boat &  
ATV -

Marty set alarm clock  
for 6:35 - I went off he  
woke - was naked -  
didn't want to bleed  
on his clothing -

Killed Mom #1 - saw  
that his father was in off-  
sleep in his chair -  
was surprised that Dad  
wasn't in bed w/ his  
Mom & sister on. Hit  
mother of Lambert, then

cut her throat. She  
was on her back on her back -  
Didn't know how many x's  
he stab. her. Got to  
her quickly. - Hit her  
2/5 x's on head. Kept  
on try to hit her. + she  
fought w/ him. She  
was in pain call for  
help - saying why? +  
help me. Mommy afraid  
father would wake  
up - after she feel on  
floor he ran & got a  
knife from the (K) &  
cut her throat. Knife  
on counter next to  
watermelon. She was  
moving little bit when  
he ran out of room to  
kill father.

Father still in off.  
a sit @ desk & now  
awake & asked what  
are you doing? Marky  
still nude - walked  
in w/ knife & dumbbell  
behind his back - got  
behind his father - hit him  
w/ baseball first -  
Father asked him why  
he was doing this. He  
knocked him silly. His  
father's feet were under  
the desk, so he couldn't  
get up - started  
his neck - doesn't know  
how many x's he hit/cut.  
Couldn't believe all the  
blood. He washed off  
knife / baseball in  
shower (tho). But

has been back in his  
bed room - looks back & looks out

Layed down on his bed,  
thought what to do next -  
Got up again @ 6:00 -  
off & saw father still  
alive - then 11:04 hrs  
am to see if she was  
dead - called 911 from  
11:04 hrs am - thought  
father would die before  
PD 1136. 911 operator  
told him to get towel/  
pillow - went to living  
room (towel) & his room  
pillow - pretended to  
follow 911 instructions -  
didn't really apply  
message. Make sure

He got his father's blood  
on his hands & show  
that he tried to help his  
father -

He missed the blood on  
his shirt when he showered -  
he sewed up -

Will give written orders
